

# Healthscope eAdmissions

Enabling electronic patient registration

## Specialist information

---

Northern Beaches  
Hospital

### Healthscope eReferrals – for specialists

<https://healthscopereferral.eadmissions.com.au>

For all referrals/requests for admission to Northern Beaches Hospital we will require an online referral/request for admission be completed via the Healthscope eReferral portal.

It is imperative that you upload a signed Consent for Medical and/or Surgical Treatment Form (HMR4.7A) for all surgical patients, and any other patients as required.

### Healthscope eAdmissions – for patients

<https://healthscope.eadmissions.com.au>

The Healthscope eAdmissions portal allows patients to electronically complete and submit their Patient Registration and Patient Health History forms on their preferred device.

Patients must complete their eAdmission within 48 hours of their consultation with you. This allows time for our Pre-admission and Waiting List staff to review the patient's eligibility without delay.

Should you or your patients require assistance while completing the online forms, our Bookings and Admission Centre staff are available to assist on **02 9105 6020**.

We appreciate your cooperation with this process.
