Antenatal Clinic

Antenatal Clinic | Public midwifery led care | Dr Abirami Thevakumar & Dr Fernando Infante Torres

Patients at 10 weeks gestation are to visit [www.northernbeacheshospital.com.au](http://www.northernbeacheshospital.com.au) and complete their eAdmission via the ‘Patients’ tab. Patients will need to create an account. Once completed, they will receive an email confirming that their booking has been received by the hospital.

Within 2 weeks of submission they will be contacted by the Northern Beaches Hospital Maternity Team with an appointment to attend the Antenatal Clinic. Appointments are usually scheduled between 14-16 weeks gestation.

If they do not hear from the hospital or have any issues completing their eAdmission, they can call on 02 9105 6020 / 6015.

On patient’s first appointment please ensure they bring their GP referral made out to Dr. Abirami Thevakumar or Dr. Fernando Infante Torres, with copies of all blood tests and and ultrasound reports.
