Dr Christos Apostolou is a specialist general surgeon in the fields of upper gastrointestinal, liver, biliary and pancreatic surgery. Graduating from the University of Cape Town in 1996, he undertook surgical training and qualified as a General Surgeon in South Africa in 2003, continuing with fellowships in tertiary trauma and hepatopancreaticobiliary and digestive surgery.

#### Areas of interest:

Diseases of the biliary tree and gallbladder, obstructive jaundice, hepatic surgery, oesophageal reflux and dysphagia, and interventional endoscopy

#### His expertise is in:

- Laparoscopic and open upper gastrointestinal surgery (incl. oncological)
- Gallbladder and anti-reflux surgery
- Endoscopic and open hernia surgery
- Upper and lower endoscopy and intervention
- Liver and pancreatic surgery
- Stomach and oesophageal pathology
- All general surgical emergencies and trauma

Dr Apostolou's core outcome is to be approachable and provide best possible results for his patients through dedication and expertise, whilst ensuring patient satisfaction through continued communication and feedback

Dr Apostolou can speak English, Greek, Afrikaans and basic Italian.
