

Northern Beaches Hospital COVID-19 Clinic

Hours

8.00am – 5.00pm, Monday to Sunday

Location

105 Frenchs Forest Road, Frenchs Forest (rear of the Emergency Department).

Drive directly to the clinic by following the signs, please do not use the main car park.

For people walking or travelling by public transport, follow the red line outside the hospital, then ring the Emergency Department intercom and they will be escorted to the clinic for testing.

Service

The clinic tests for COVID-19 and sends to the laboratory for testing.

Test results come from Public Health, rather than the hospital, and provided directly to the patient.

GPs are not automatically advised of results, however GPs can call the laboratory using the number below.
