Dr Tristan Rappo is a fellowship trained Orthopaedic Surgeon based in Sydney. He has subspecialty interests in hip and knee arthroplasty and sports knee injuries.

Dr Rappo graduated medicine (MBBS) from the University of Sydney. He gained his fellowship of the Royal Australasian College of Surgeons (FRACS) in 2019 and then completed a postgraduate fellowship in hip and knee reconstruction with the Peninsula Orthopaedic Research Institute. Dr Rappo has a special interest in robotic hip and knee replacement. Dr Rappo also provides trauma services through on call duties at the Hornsby Ku-ring-gai and Northern Beaches Hospital.

Dr Rappo consults at Peninsula Orthopaedics located in Northern Beaches Hospital. He operates at Northern Beaches Hornsby Ku-ring-gai and North Shore Private Hospitals.
