**F** 02 8999 1548

Dr Lynette Khoury is a General Paediatrician with extensive experience treating newborns to adolescents. She manages a broad range of paediatric issues and has a special interest in newborn and infant health, child behaviour and development, ADHD, food allergies and eczema.

Lynette completed her medical degree at the University of Sydney and based her training in Paediatrics at Westmead Children's Hospital. She gained her fellowship with the Royal Australian College of Paediatrics in 2012 and commenced work as a Specialist Paediatrician at the Sydney Children's Hospital in rural locum services. She moved her practice to the Northern Beaches in 2016 and worked as a Paediatrician at Mona Vale Hospital.

Lynette has an interest in food allergies and completed the Graduate Certificate of Allergic Diseases (UWS) in 2015. She is also interested in behavioural paediatrics and is a member of the Neurodevelopmental and Behavioural Paediatric Society of Australasia (NBPSA).
